

FAREHAM SHOPPING CENTRE HALF TERM DINO ADVENTURE

From 24th – 27th February Fareham Shopping Centre will be hosting a Dino Adventure in Osborn Square with the support of Fareham Borough Council and their 'Live Love Local' campaign.

The half term activities will run over a four-day period. The event will be FREE to customers and each day there will be a different activity with a mix of fossil painting, dinosaur crafts, palaeontologist trails and dinosaur themed shows. All activities will take place between 11am – 3pm on each of the days.

Mike Taylor, Centre Manager at Fareham Shopping Centre, commented: "We know how hard it is to keep the children entertained over the half term and our activities are both educational, fun and free. We have received some great feedback from our customers following past events and hope to see both old and new faces during our half term activities".

"Our four-day event will excite any dinosaur enthusiast and our Dino Show that is taking place on both Saturday 26th and Sunday 27th is one not to be missed."

Executive Leader of Fareham Borough Council, Cllr Seán Woodward, said: "Our Live, Love, Local campaign has been running with great success since October 2021, to support local independent traders. Free, fun events such as these not only support our local businesses but also bring together members of the community and we are pleased to be working with Fareham Shopping Centre to deliver it."
